

Redhawk ART JAM

A hands-on art workshop hosted by the Department of Art at Miami University for students to experience college-level art instruction.

COLLEGE OF CREATIVE ARTS
Department of Art

CREATIVE WORKSHOPS

During the workshop, students will work directly with our accomplished art professors to create a unique piece of art they can take with them. The day will also include a lunch, a tour of our facilities, a discussion on art portfolio readiness, and a conversation about career paths and professional prospects in the art world.

Space is very limited. Only 15 seats are available per workshop, ensuring each student receives personalized attention.

SATURDAY, MARCH 14, 2026
